

Customer Notification

B-CN-172-EN-Rev A

6/17/2019

SUBJECT: Discontinuation of 100043-14 – 24 kHz Inverter Assembly for TT&TG Compressors

Purpose

The purpose of this bulletin is to notify customers of the obsolescence of Inverter Kit 100043-14. Due to component availability, this kit is no longer available. We ask that our customers purchase conversion kit 100521 in place of the obsoleted Inverter.

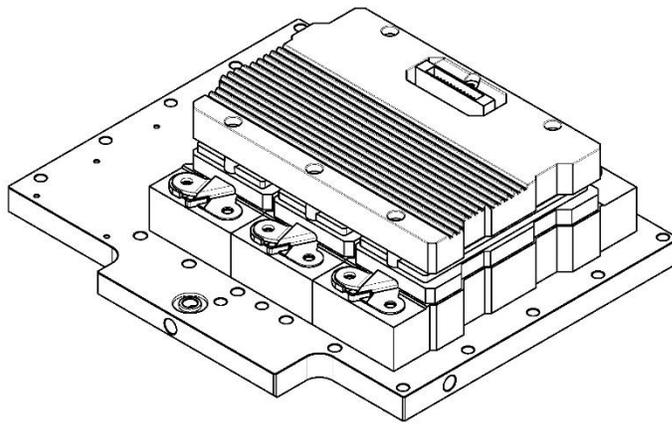

Figure 1 – New 613-Type Inverter

Summary

Inverter Kit 100043-14 has been obsoleted and is no longer able to be ordered. **If you are replacing an inverter on any of our TT300 Major Revision "F" and earlier compressors, you will need to order conversion kit 100521. We have tested the new Inverter to ensure it is fully compatible with Major Revision "F" and earlier compressors.**

Action Required

Please refer purchase kit 100521 if you are replacing an Inverter on a Major Revision "F" or earlier compressor.
