

Customer Notification

B-CN-223-EN Rev A

04/29/2020

SUBJECT: Discontinuation of SIE to FIE Conversion Kits

Purpose

The purpose of this bulletin is to notify customers of the obsolescence of the Semi-Integrated Electronics (SIE) to Fully Integrated Electronics (FIE) conversion kit, effective immediately. This kit was used to convert older model compressors using semi-integrated electronics to the fully integrated electronics design used today.

As the population of older models requiring this conversion is declining, this kit is no longer needed to support legacy models using the SIE design.

Affected Components

The conversion kits to be obsolete are listed in the table below.

Part Number	Description
100514	KIT - CONVERSION-SIE TO THE CURRENT ELECTRONICS (400V) BACK PASSAGE CASTING
100515	KIT - CONVERSION-SIE TO THE CURRENT ELECTRONICS (400V) DOUBLE PASSAGE
100516	KIT-CONVERSION-SIE TO THE CURRENT ELECTRONICS (460V) BACK PASSAGE CASTING
100517	KIT-CONVERSION-SIE TO THE CURRENT ELECTRONICS (460V) DOUBLE PASSAGE CASTING
