

Customer Notification

B-CN-388-EN REV C

April 23, 2025

SUBJECT: Nordborg TGS380, TGS490, and TTS450 Compressors **Revised******

Purpose

This bulletin has been revised to include information for the TGS490 compressors. Changes in this revision are indicated in underlined and bold text.

This bulletin is to inform our customers that the Danfoss factory in Nordborg, Denmark is adding the capability of completing the final configuration on Haiyan manufactured **TGS380/TTS450 compressors**. This extends the capability of the Nordborg factory to be able to provide more of the Turbocor® compressor portfolio for Europe and the surrounding regions. **Our Nordborg factory is now capable of completing final configuration of Haiyan manufactured TGS490 400V compressors.**

These compressors are equivalent to the compressors manufactured in Tallahassee, FL USA.

Action Required

Customers can begin placing orders for Nordborg-configured TGS380/TTS450 compressors on January 6, 2025 by selecting factory type "5" in the compressor configuration. Orders will be confirmed with a 12-week lead time with the first deliveries to customers starting from April 1, 2025.

Haiyan manufactured TGS490 compressors are now available from Nordborg by selecting factory option "5" in the Typecode.

ENGINEERING
TOMORROW

NOTE: The TGS380, **TGS490**, and TTS450 compressors manufactured in Nordborg are only available with 400V options. These will be different compressor part numbers from equivalent compressors in Tallahassee, FL USA. Key Account Managers will provide their respective customers with a list of part numbers.

Need Assistance

For further questions, please contact your Key Account Manager or our Product Support group at turbocor.ps.na@danfoss.com or turbocor.ps.eu@danfoss.com for inquiries within Europe.
