

Customer Notification

B-CN-375-EN REV A

September 20, 2024

SUBJECT: TT/TG Series Compressor I/O Board Options

Purpose

The purpose of this bulletin is to advise our customers that we have added an additional I/O Board option, as well as additional compressor interface cable options when purchasing a TT/TG Series Compressor. The new options are as follows:

- RS232/RS485 I/O Board with 10m cable
- No I/O Board with 10m cable
- Dual RS485 I/O Board with 5m cable
- Dual RS485 I/O Board with 10m cable

Action Required

When ordering a compressor, please refer to the updated nomenclature type code that is shown in Table 1 – Updated I/O Board Options. Customers can refer to the Turbocor® configuration tool on store.danfoss.com for the latest compressor configuration options.

Table 1 – Updated I/O Board Options

Character 11	Description
