

Customer Notification

July 2nd, 2026

B-CN-437-EN REV B

SUBJECT: 2026 Price Guide Release

Purpose

This bulletin has been revised to update customers about the latest pricing release timing. Changes in this revision are indicated in underlined and bold text.

The purpose of this bulletin is to notify customers of a planned 5% price increase on a select number of spare parts kits. The new prices will take effect on July 1st, 2026. **You can now find the latest pricing in the updated price guide available on our website (www.turbocor.com).**

The affected kits are listed below for your reference:
