

Customer Notification

May 14, 2026

B-CN-459-EN REV A

SUBJECT: TTS300/TGS230 Terminal Block Isolator Update

Purpose

This bulletin is to inform our customers that the material of the Compressor Terminal Block Isolator used for TTS300/TGS230 compressors is changing. The color of the insulator will be noticeably different from the existing, white-colored material to a dark gray/black material. Refer to Figure 1 for the location of the insulator.

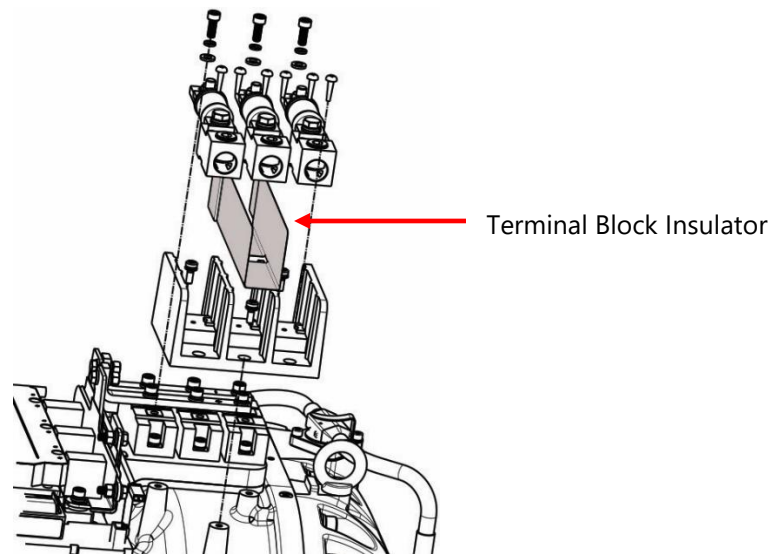

Figure 1 – Terminal Block Isolator

The new Terminal Block Isolator will be included in TTS300/TGS230 Production Compressors and TTS300/TGS230 Terminal Block spare part kits by the end of May 2026.

Summary

We will be introducing a new Terminal Block Isolator material for our TTS300/TGS230 Compressors. This will be placed into production by the end of May 2026 and will include production compressors and the Terminal Block spare part kit.

Action Required

Please continue to order spare part kit 100048-2 as needed.

Need Assistance
