Customer Notification

B-CN-316-EN REV A

6/6/2023

SUBJECT: TT Series Schrader Valve Paint Removal

Purpose

This is to inform our customers that the Schrader valves for the TT Series compressors are no longer painted green. These Schrader valves were originally painted green to indicate R134a compressors versus R22. Since the R22 Compressors are no longer produced, we have made the decision to remove the green paint from the Schrader valves.

Summary

TT Series Schrader valves will no longer be painted green.

Action Required
